Property Owner (If different) _____

Property Street Address _____ APN _____

Model Name and Type of Woodstove Removed _____

Business Name and Location Where Woodstove Disposed _____

Type of Stove Installed: None Gas-fired Pellet Stove EPA Phase II Stove/Insert

Model Name and Type of New Stove _____

Building Permit # _____ Final Inspection Date _____

I hereby certify, under penalty of perjury, to the following:

1. I removed an operable non-EPA certified woodstove or fireplace insert in my residence or business. The non-EPA certified woodstove was disposed of at a woodstove scrapping or recycling facility or at an approved business that will ensure the woodstove will be properly disposed. I have attached documentation demonstrating compliance with this requirement.
2. For a gas-fired stove or pellet-fueled woodheater rebate, I have complied with all Town Building Code requirements for the installation of the new stove including obtaining a building permit and having an approved final inspection.
