

NV Tahoe Basin Fire Safe Council Rebates!

Beginning on May 1, the Nevada Fire Safe Council will be offering a rebate of 50%, up to \$1000, to property owners in the Lake Tahoe Basin who have a defensible space inspection from the fire protection district and implement vegetation management recommendations. For more information, click on the links below.

NVFSC Rebate Contractors List

Nevada Fire Safe Council - 2008 Defensible Space Rebate Program Contractors List

The Nevada Fire Safe Council provides this list as a courtesy to the homeowners for their use. Updates will be posted frequently on our website, www.nvfsc.org. It is the sole responsibility of the property owner to choose a contractor for defensible space work. Property owners are encouraged to contact two or more companies as prices will vary. The Nevada Fire Safe Council does not guarantee the work of contractors on this list and is not responsible for damages caused by contractors to private property. For more information on receiving your rebate, visit www.nvfsc.org or call 1-877-LT-NVFSC.
